It has been now more a month's time that the OBPS was made operative by this Authority as well. The Building Permission Authority in its 118th meeting had observed that lack of pace in uploading of online building permission cases. It was accordingly decided to inform the registered Draftsmen/Architects to ensure that all the cases should be uploaded online as per the requirements of (OBPS). It is therefore impressed upon that no case should henceforth be prepared on the previous system.

The member of the Building Permission Authority, LCMA are also requested not to entertain cases which are not submitted online through OBPS.
